“

I am delighted and satisfied to inform you all that the Production of **Remdesivir** is ramped up ten times from just **~33,000** vials/day on 11th April 2021 to **~3,50,000** vials/day today under the astute leadership of Hon'ble PM Shri @narendramodi Ji

”

DEVELOPMENT DISCOURSE

May 31st

Ports are Fighting The Battle Too!

Indian ports have been working tirelessly to strengthen the fight against COVID-19

Cochin Port partnered with Kochi Municipal

Corporation to set up a 102 oxygen bed COVID hospital within its premises as a part of its CSR initiative

May 31st

Boosting Oxygen Availability in Maharashtra

In this fight against COVID-19, Indian major ports have come together with the government to boost Oxygen availability in the country

Jawaharlal Nehru Port handled consignment containing medical accessories for hospitals use in Maharashtra

May 30th

Concrete Floating Jetty

Hon'ble Minister Shri Mansukh Mandaviya virtually inaugurated 'Concrete Floating Jetty' at Old Goa in presence of Goa CM Dr. Pramod Sawant Ji and Shri Shripad Y. Naik Ji.

Transforming the lives of the local population, the installation of Floating Jetty will unfold newer avenues in tourism and economy in the area.

May 29th

The Battle is on!

Major Ports have been making every possible effort to save precious lives & strengthen the Government of India's spirited fight against COVID-19

JN Port ensured swift clearance of 21.6 MT O2-filled cryogenic container brought from UAE

May 28th

Newer Avenues for Cargo Transportation!

A famous Gujarati Namkeen brand of Saurashtra conducted a successful trial for faster movement of goods to Surat via Ghogha-Hazira Ro-Pax Ferry Service. The Ro-Pax Ferry Service is already a no.1 choice for businesses in Surat and Saurashtra and revolutionizing the ease of business in Gujarat.

May 28th

Ramping up the production

Shri Mansukh Mandaviya said on the arrival of medicine: "50,000 vials of Amphotericin B arrive at Mumbai Airport."

We are putting in a lot of effort to meet its requirement in the country. I am thankful to Gilead Sciences and Mylan News for their outstanding support in India's fight against COVID-19."

May 28th

Cochin Port Contributes O2 Cargo Handling

Cochin Port handled 87.23 MT Oxygen cargo brought by INS Shardul from Kuwait

Cochin Port handled the clearance of cargo on topmost priority.

May 27th

Operational Readiness For Cyclone Yaas!

In the wake of Cyclone Yaas, Shri Mansukh Mandaviya took stock of the preparedness of all Major Ports on the eastern coast of India.

He directed them to ensure the safety of people & properties with the least possible damage. Ports assured their operational readiness.

As the cyclone subsided gradually, Shri Mansukh Mandaviya congratulated Shipping Ministry for coordinated efforts during Cyclone Yaas.

Hon'ble Minister further praised MoPSW for the meticulous planning & execution that ensured absolutely no casualty or damage to vessels owing to proactive actions of the Ports lying on the Eastern coast and DG Shipping.

May 24th

Job Well Done!

Ports have been tirelessly working to strengthen India's fight against COVID-19

Cochin Port handled the consignment of 73.9 MT Liquid Medical Oxygen (LMO) today

This boosted Oxygen supply in Trivandrum and nearby areas.

May 25th

Oxygen Cargo Unloaded at NMPT

New Mangalore Port handled Oxygen cargo shipment from Kuwait.

Adding to the spirited efforts of boosting oxygen supply in country, NMPT ensured clearance.

May 21st

Mission Mode!

Ports are working on a mission mode to provide relief to COVID-19 patients

JNPT handled an oxygen cryogenic container with a total quantity of 19.32MT brought from UAE

Clearance of OXYGEN cargo was accorded the highest priority

May 18th

Delivering The Essential Deliverables!

Ports are ensuring that Oxygen is brought to COVID-19 patients in the fastest time possible.

Despite challenging conditions created by Cyclone Tauktae, JNPT with sheer motivation handled 28.72 MTs of O₂ consignment loaded from UAE & ensured quick clearance of cargo

May 21st

Disaster Management Efforts

Ghogha-Hazira Ro-Pax Ferry Service has set a new precedent in post-cyclone Tauktae disaster management work.

In the shortest time, over 400 electrical engineers and workers from Ro-Pax Ferry reached relief areas from Surat to Bhavnagar and Saurashtra to carry out relief work.

May 16th

Preparing for Cyclone Tauktae

Shri Mansukh Mandaviya reviewed the preparedness of all Ports and Maritime Boards of all States of western coast of India, pertaining to the Cyclone Tauktae.

Shri Mandaviya directed to take every steps to ensure safety of people with least possible damage. Ports assured the readiness to combat the situation.

May 15th

Cargo Clearance on Priority!

Marshalling efforts in the fight against COVID-19,

JNPT handled 150.23 MT medical O2 consignment brought from Kuwait via Jebel Ali, UAE.

JNPT ensured quick clearance of cargo on the highest priority

May 10th

40MT Oxygen Tanks unloaded by NMPT

Ports have been handling Oxygen related cargo on utmost priority

INS Kolkata reached New Mangalore Port with 40 MT oxygen-filled tanks with 5 tons of oxygen cylinders & 4 high flow O2 concentrators from Kuwait. The cargo was unloaded professionally without any delays

May 11th

NMPT Handles Oxygen Consignments Ex NAVAL Ships

New Mangalore Port handles 2 Naval ships INS Tabar & INS Kochi which carried 5 Oxygen Containers with 20 MT each, 70 pallets of oxygen cylinders & 2 high flow oxygen concentrators from Kuwait.

NMPT cleared and dispatched out oxygen cargo on top priority.

May 10th

India Fights COVID-19

Jawaharlal Nehru Port received 80 MT of Medical Oxygen reaches from Jebel Ali, UAE

JNPT handled the Oxygen Cargo on an utmost priority basis.

May 5th

Ports prioritise O2 cargo handling!

NMPT handled the swift clearance of oxygen consignment on topmost priority.

41 MT oxygen consignment filled in cryogenic containers was brought by INS Talwar from Bahrain.

May 3rd

Telangana

Shri Mansukh Mandviya met MoS for the Ministry of Home Affairs Shri Kishan Reddy Bjp Ji called on Union Minister

Shri Mandaviya assured him the wholehearted support for the supply of Remdesivir in Telangana.

Remdesivir Production Capacity Surges Ahead

Government under the leadership of Hon'ble PM Shri Narendra Modi Ji is working tirelessly to fight against Corona.

India achieved 3 times the production capacity of Remdesivir and will soon be able to meet the growing demand.

May 11th

**HAR KAAM
DESH KE NAAM**

May 20th

Tackling Amphotericin B Shortage!

Black Fungus (Mucormycosis) curing drug Amphotericin B's shortage will be resolved soon!

Within three days, 5 more Pharma companies have got New Drug Approval for producing it in India, in addition to the existing 6 pharma companies

Existing pharma companies have already started ramping up the production

Indian Companies have also placed orders for importing 6 lakh vials of Amphotericin B

May 19th

Historic and Unprecedented!

Government under the leadership of Prime Minister Shri Narendra Modi Ji took historic pro-farmer decision of hiking subsidy on DAP fertilizer by 140% in the interest of the farmers of the country.

DAP fertilizer subsidy from Rs. 500 per bag to Rs. 1200 per bag.

May 18th

Review Meeting!

Shri Mansukh Mandaviya reviewed the requirement and supply position of Amphotericin B which cures Mucormycosis.

Department of Pharmaceuticals have chalked out a strategy with manufacturers to ramp up domestic production as well as to import the drug from all over the world.

May 30th

7 Years of Sewa

Hon'ble PM Shri Narendra Modi Ji once said "India has had a glorious maritime history. We are on the path of shaping an even better maritime future"

Pushing the
momentum
further, Ministry of

Ports, Shipping & Waterways has turned this vision of PM into a blueprint for continuous reforms in India's maritime sector

**IN THE SERVICE
OF PEOPLE**

May 23rd

Tackling Pandemic!

Shri Mansukh Mandaviya visited Sir Takhtasinhji Hospital in Bhavnagar and chaired a meeting on Mucormycosis and COVID-19

Shri Mandaviya allocated Rs. 75 lakhs as a grant for the various medical equipment required for the treatment of Mucormycosis in hospital

May 23rd

Assuring all Assistance!

Shri Mansukh Mandaviya took stock of the situation and lent an ear to the difficulties of fishermen of Sartanpar Bandar, Bhavanagar, Gujarat.

Shri Mandaviya met the Cyclone Tauktae affected families and assured them of all assistance.

May 23rd

Condolence Meeting

Shri Mansukh Mandaviya paid a condolence visit to the family who lost loved ones in Cyclone Tauktae in the village Thadach, Bhavnagar, Gujarat and expressed his deepest sympathy to the grieving family members.

HIGHLIGHTS OF THE MONTH

Mansukh Mandaviya @mansukhmandviya · May 4

देश में तेज़ गति से रेम्डेसिवीर का उत्पादन बढ़ाया जा रहा है।
सिर्फ कुछ ही दिनों में भारत ने रेम्डेसिवीर की उत्पादन क्षमता 3 गुना तक हॉसिल की है
और जल्द ही बढ़ती हुई मांग को पूरा कर पाएंगे।
PM @NarendraModi जी के नेतृत्व में सरकार द्वारा कोरोना से लड़ने के लिए अथक
प्रयास जारी है।
